

Dr Robin Warne

B.Ch.D. M.Sc. Implant Dentistry, PG Cert Sedation

GDC registration number: 60643

Dr Robin Warne has built a reputation since qualifying from the University of Leeds in 1985. After several years in general practice his interests in advanced dental care and techniques grew. Since qualifying Robin has studied in 8 European countries as well as the United States along side some of the most respected clinicians in the world allowing him to provide dentistry to the best of his ability.

He has a Masters degree in Implant Dentistry and a post graduate certificate in Sedation and Pain Management. Robin receives many referrals from other dentists for advanced dental care and implant treatment and as testimony to this has treated several dentists and their families.

Huddersfield Dental Implants & Cosmetics (which in early 2017 become The Temple Practice at West Yorkshire Dental Implant Centre) was awarded the prestigious Platinum Award in 2008 by the implant company Biomet 3i, in recognition of the dedication and contributions to the field of implant dentistry and bringing naturally beautiful, confident smiles to patients. The practice also was awarded gold level for customer service for 2010 and 2011 by WhatClinic.com
