

Dr Adam Glassford

BChD Dip Con Sed (Ncle) Dip Imp Dent RCS (Eng) (adv cert) MFGDP

Dental Implant, Restorative and Cosmetic Dentist

- Dental Implants
- Restorative and cosmetic dentistry
- Sedation and helping anxious patients
- Oral surgery
- Facial aesthetics and wrinkle reduction

Adam is an extremely experienced dental surgeon with a special interest in dental implants, cosmetic dentistry, sedation and facial aesthetics.

He holds the Advanced Implant Diploma from the Royal College of Surgeons of England and the diploma in Conscious Sedation from Newcastle University. Adam has a national reputation in restorative and implant dentistry, and dentists from all over the UK refer their advanced and complex cases to him. He has been providing dental implants for over 13 years and has place over 3500 dental implants, and is one of Straumann's leading Dental Implant Providers in the UK. He is also a mentor for training dentists in dental technology.

Adam won the Patient Choice Restorative Case Award at the 2015 Aesthetic Dentistry Awards. He has a relaxed style and is passionate about helping anxious patients to feel at ease.
